# Veggie Hut Vegetarian Restaurant

## 老地方素食之家

Vegetarian cuisine has developed with the demands and needs of society. Utilising natural ingredients such as gluten, soya bean, mushroom, taro and yam, we have now created perfect meat replacements in our delicious dishes. With the help of various herbs and spices we have transformed these vegetarian ingredients into 'roast duck', 'chicken', 'fish', 'beef', 'prawn' and a whole myriad of mock meats.

Our accomplished chef has been a vegetarian for over 20 years and has been cooking vegetarian cuisine for over 15 years in world class restaurant in many countries. He specialized in catering for large functions such as wedding, Birthdays funerals and parties. He has also catered for numerous events at Chinese Temples and function halls.

Veggie Hut was established in 1997. We will endeavour to continue creating new and innovative vegetarian dishes to tantalise your taste buds. We would like to thank all our customers for their support and feedback over the years and welcome new customers to try our restaurant.

### Please Note:

Some of our dishes do contain eggs and dairy products, so please let us know if you would like them without these ingredients.

Vegans are definitely catered for and many of our dishes are vegan friendly.

Our dishes strictly do not contain shallot, leek, garlic, Chinese bulbous onion or ferula.

素食隨著社會的需求而發展.現代素食採用了天然材料,如:麵筋,黃豆,菇類,芋頭與山藥等製成肉食的代替品. 借助各種草藥及香料,把此類素食製成'素鴨', '素雞', '素魚', '素牛', '素蝦' 與及各類素食品.歡迎您來品嚐.

### 註:

本店有供應無蛋及無乳製品素食.敬請顧客告知,本店非常樂意安排.

本店素會食決無蔥,菲,蒜,薤和興渠等材料.
